OLD GUILDFORDIANS' RUGBY FOOTBALL CLUB.

Since its formation in October of last year the Rugby Football Club can claim to have progressed very favourably. The playing membership at present amounts to thirty-two, and it is hoped that this number will be considerably increased by next season. Those leaving school who wish to join the club should get in touch with the Honorary Secretary (C. E. Ives, "Chelstone," Manor Way, Onslow, Guildford). There is no limit to the number of new members needed.

Although considerably handicapped by the absence of a "home" ground, fixtures (a complete list of which is given below) were arranged this season with the School and a number of local clubs, and some very enjoyable games have been played. Although the number of defeats exceeds the victories, the club is not discouraged, and hopes to have a brighter story to tell at the end of next season.

On March 19th last, a landmark was established when the Past vanquished the Present by four tries (12 points) to two tries (6 points). This was probably the most strenuous game of the season.

It is hoped that it will be possible to run two XV.'s regularly next season, and fixtures are accordingly being arranged.
